## Product Demonstrations

### Practical Techniques

Our store offers frequent product demonstrations, so you can see the different styles & fits on the body, view the current range options, and decide which shape & fit work best for your body.

## Styling Demonstrations

### Aesthetic Techniques

Our store offers monthly styling demonstrations, so you can see how shape, angles & drape can completely transform your look, creating your most compelling style.

## Hands-on Group Playshops

Learn, Play & Experiment with others. Playshops give you up to 3 hours to dress up in any vacation-style you can dream up.

You'll work individually on your unique image and a professional stylist will check in and answer any questions you have. Because you play alongside others, it's an opportunity to let their ideas spark new ones of your own.

## Styling Courses

### CREATING YOUR OWN IMAGE

For anyone who wants to know & understand how to create their own unique compelling style effortlessly, with confidence for all occasions and the rest of their life.

These courses are comprised of 6 rich lessons on fashion & styling over a 3 month period with their own unique real world projects.
